DETAILED ACTION

Response to Amendment

The Amendment, filed on 4/19/2006, has been entered and acknowledged by the Examiner.

Allowable Subject Matter

Claims 1-4 are allowed.

The following is an examiner's statement of reasons for allowance:

Regarding claim 1, the references of the Prior Art of record fails to teach or suggest the combination of the limitations as set forth in claim 1, and specifically comprising the limitation of a frame for a shadow mask that includes a lateral portion for holding the shadow mask, a bottom portion connected to the lateral portion, a diagonal portion connected to the bottom portion, and a joint portion welded to the lateral portion and connected to the diagonal portion, where there is a space between the lateral portion and the joint portion that increases with distance from the edge of the lateral portion on a side supporting the shadow mask. (See applicant's remarks filed 4/19/2006 for additional explanation.)

Regarding claims 2-4, claims 2-4 are allowable for the reasons given in claim 1 because of their dependency status from claim 1.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
